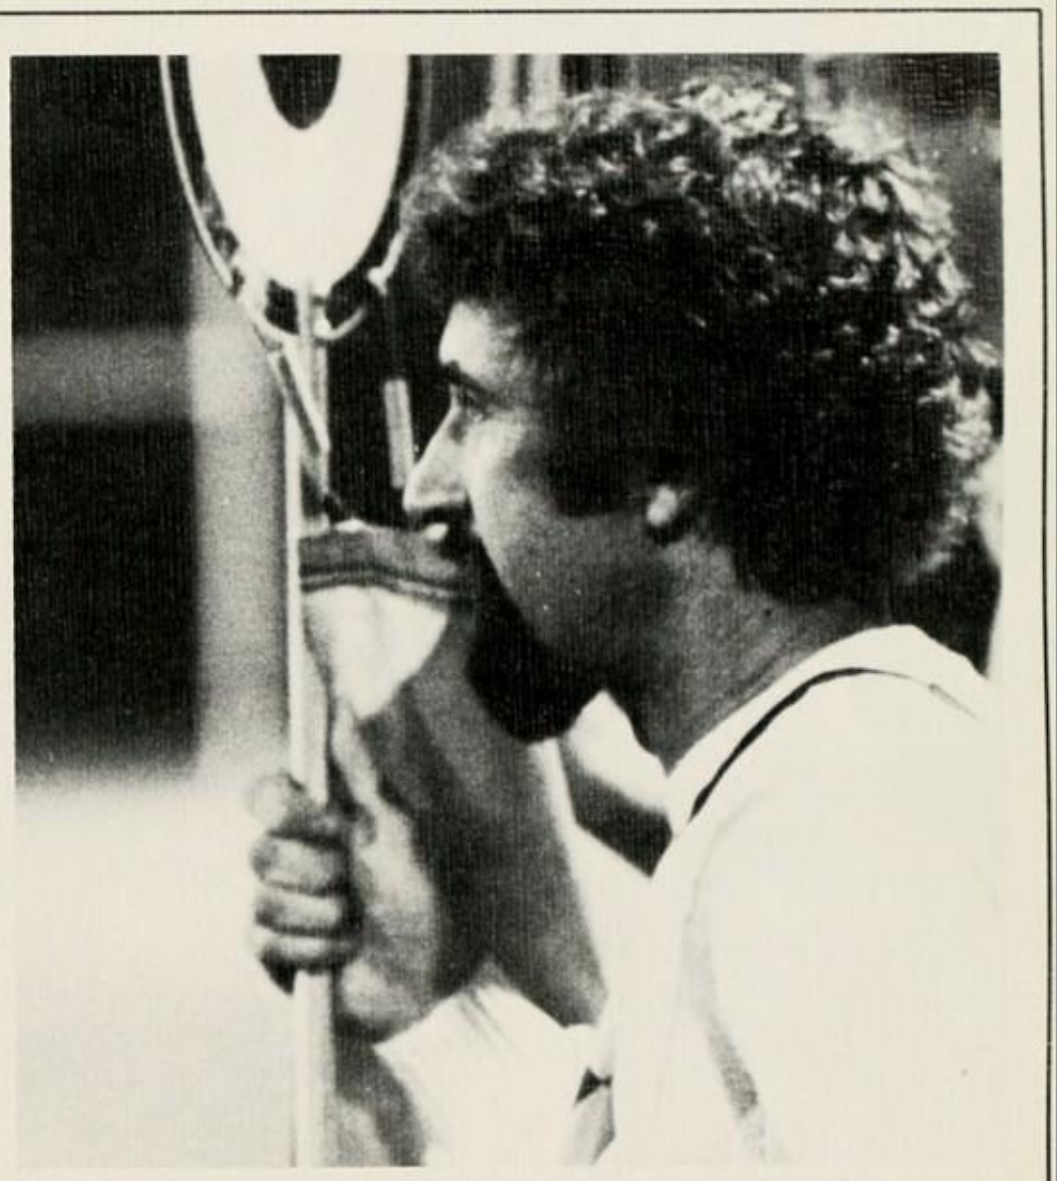
FIFTEENTH GRADUATING CLASS OF SAN GORGONIO



WE ARE THE CHAMPIONS

I've paid my dues,
time after time.
I've done my sentence
but committed no crime.
And bad mistakes,
I've made a few.
I've had my share of sand
kicked in my face
but I've come through.

And I need to go
on, and on, and on, and on.
We are the champions my friend.
And we'll keep on fighting till the end.
We are the champions.
We are the champions.
No time for losers 'cause
we are the champions of the world.

I've taken my bows
and my curtain calls.
You brought me fame and fortune
and everything that goes with it.
I thank you all.
But it's been no bed of roses,
no pleasure cruise.
I consider it a challenge
before the whole human race
and I ain't gonna lose.

And I need to go
on, and on, and on, and on.
We are the champions my friend.
And we'll keep on fighting till the end.
We are the champions.
We are the champions.
No time for losers 'cause
we are the champions of the world.

ALMA MATER

O San Gorgonio High School

We raise our song to thee . . .

The mountains standing round us

Repeat the melody.

The blue of far flung distance

In which your future stands . . .

The black of strength and boldness

The white of purity.

Fulfillment of your future

lies in us and with pride . . .

We'll go to higher achievements

In places far and wide.

Our Alma Mater, to thee

Our pledge of truest loyalty

And ever upward, onward

Your memory at our side.

SUMMIT STAFF

The Summit staff produces San G's annual. The goal of the staff is to provide a yearbook that records a pictorial history of the 1979-80 school year. This history provides students with a collection of pictures and written summaries of all the major events of the year. It also, hopefully, provides the candid pictures that catches the spirit of San Gorgonio and it's students.

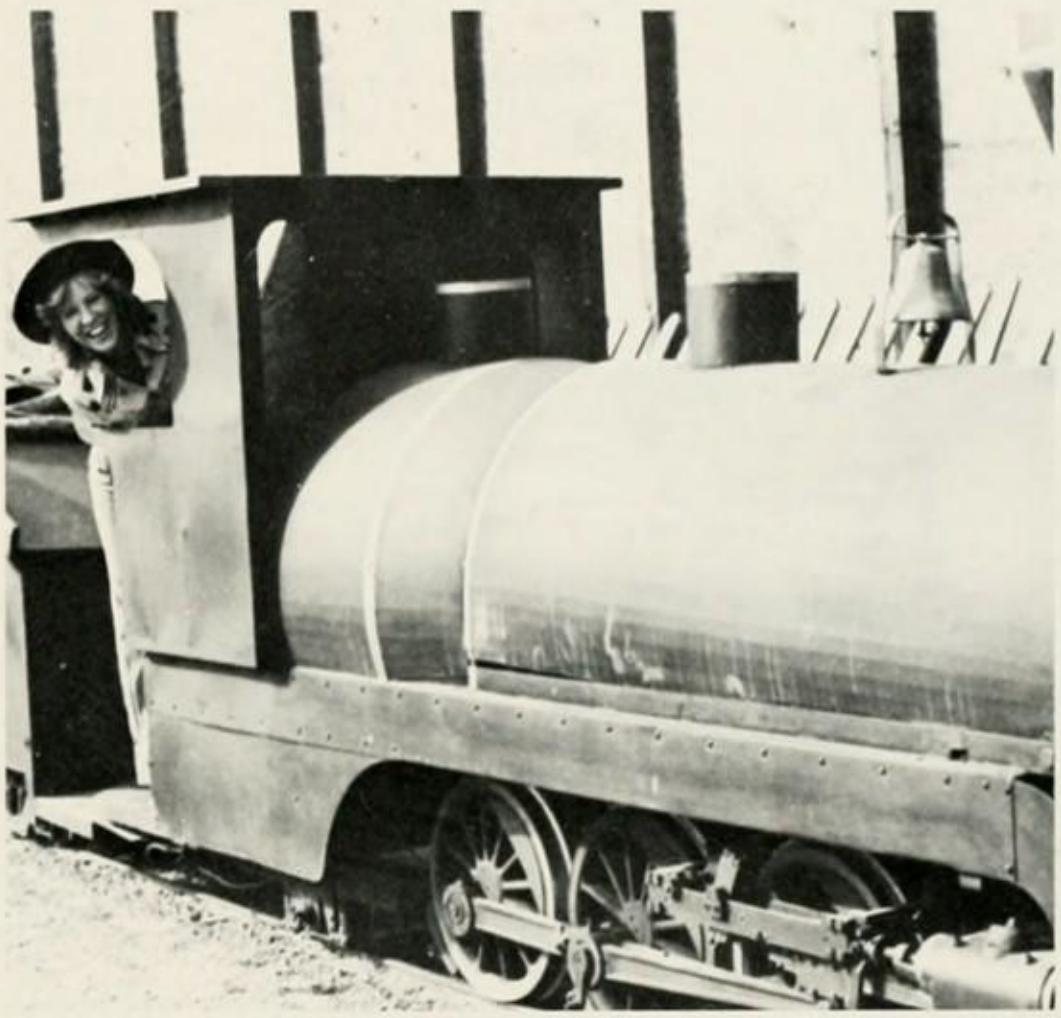
The Oracle staff is in charge of publishing the school newspaper. This year they have started something new. Instead of an eight page newspaper every month, they are publishing a four-page issue every two — three weeks. This was done in hopes that the news and the stories would be more up-to-date.

The Oracle's purpose is to try to accurately describe and record any activity or event that pertains to the students of San Gorgonio.

The Journalism class is an opportunity for students to learn the functions of a newspaper, to write for a newspaper, and to design and layout the school newspaper.



The Oracle staff expresses their gratitude to hotographers: Mr. Rosalez, Nikki Stathis, and hris Stathis; cartoonists: Pam Oakes and Thomas adeau; and Mr. King for the time and effort that ey contributed to our newspaper.

Hope to see you again, perhaps in Italy.

PACIFIC INTERCULTURAL EXCHANGE STUDENTS VISIT FOR A SEMESTER

Six new students came to San G at the beginning of the second semester to learn more about our country, to get the experience of living in America and to make new friends. All six came through the PIE (Pacific Intercultural Exchange) program. PIE is a new organization that operates between the United States and many countries in Europe and South America.

Felix and Eduardo come from La Plata, a city in the state of Buenos Aires. Marcia is from Assis in Sao Paulo, and Luiz is from Sao Carlos in Sao Paulo. Erani is from Rio Grande do Sul, in the southern part of Brazil. Demitri is from Brazil.

All of the students agree that the biggest change for them in America is school. Most of the PIE students only go to school for four hours each day in their countries. They cannot choose their classes, and are given a schedule consisting of 12-14 classes during the week.

The Summit Staff, representing the students at San Gorgonio, hopes that we provided the PIE students with a representative look at America.

High School is the whirl of fall
leaves
swirling across a road at
twilight.
It's a gold-plated megaphone
dangling
from a dainty chain.
It's buying all the latest
fashions,
then baby-sitting.
It's meeting friends,
watching the winning
touchdown
and experiencing
the thrill
and sweat
of a locker room
after the struggle.
High School is cramming
for an exam
that you'd rather forget.
It's a shiny bronze ring that
catches the light
and a charm bracelet with
scattered memories.
High School is growing up, and
growing up is wishing you
were young again.

If everybody had an ocean across the U.S.A.
Then everybody'd be surfin' like Californiya
You'd see them wearing their baggies, huaracha

A bushy bushy blonde hairdo
Surfin' U.S.A.

You'll catch them surfin' at Del Mar, Ventura
County Line, Santa Cruz and Belmont
Australia's Nura Beach
All over Manhattan and down Dohney way, every
body's gone surfin'
Surfin' U.S.A.

We'll all be planning out a route we're gonna'
take real soon
We're waxing down our surfboards
We can't wait for June
We'll all be gone for the summer
We're on surfari to stay
Tell the teacher we're surfin'
Surfin' U.S.A.

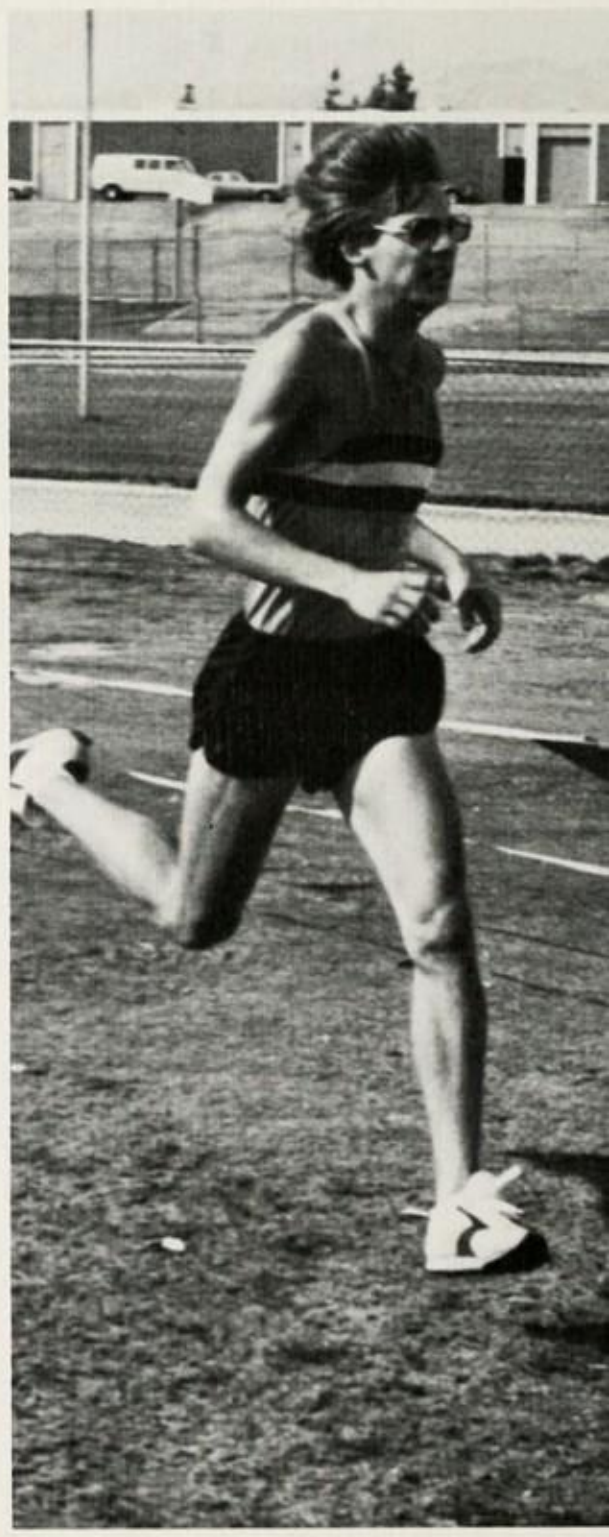
SAN G



BOYS' SPORTS

THE BLUE OF FAR FLUNG DISTANCE . . .
IN WHICH YOUR FUTURE STANDS . . .

BOB BETTY — SUPER SPARTA

Mr. Bob Betty is the Athletic Director for San Gorgonio High School; he is the man who is responsible for scheduling all the games or meets for boys and girls sports, arranging for transportation to and from all away games, making the athletic budget, ordering sports equipment and uniforms, getting officials for the games, recommending new coaches for available openings, being a supervisor at games, and representing the school in athletic meetings.

Sports has always been a part of Mr. Betty's life. In high school and college he participated in sports. He attended Alma College in Michigan and the University of Redlands, where he played football and baseball. He went to Michigan State University to complete his masters degree. He coached football, basketball, and baseball in Michigan for nine years. Bob Betty has been at San G for 13 years.

The Summit staff commends Mr. Bob Betty for all his behind-the-scenes effort organizing the athletic program at San Gorgonio; too often the pople who work diligently in the background are ignored.

Mr. Hedrick
Advisor

This is the year, the junior year we've all looked forward to. We come to school saying, "I'm not letting any senior push me around this year!" Of course, it never turns out that way. We are, however, a year or two ahead of the sophomores and freshmen . . . and the cycle goes on.

The junior class, the class of nineteen-eighty one, is a class to be proud of. Among our juniors we have many accomplished athletes, musicians and artists. In sports, we have Robert Rybak, Chris Beaman, Brad Beauregard and Tina Howard, who have all made great contributions to our boys' and girls' track teams. Our boys' varsity basketball team is three-quarters junior power: Mike Jackson, Brad Miller, Vance Amador, Scott Bader, Drew Wedul, and Rod Atkinson. We also have many good juniors on our girls' varsity basketball team: Elaine Ellison, Pat Tena, and Bonnie Bade, to name a few. Rena Zagha has become an accomplished concert pianist, and Robert Graziano has shown great potential as a fine artist.

Of course, we just don't have room enough to name all of our accomplished juniors. There are so many who have made contributions and sacrifices for this school and this class.

The three musketeers.

Our Friendship

We used to laugh
and we used to cry.
We did some things
and never knew why.
We took some chances
that some wouldn't take,
but that was the fun of it.
And if we got in trouble,
that was the breaks.
Our friendship was real
and will never be forgotten.
Whenever I needed you,
you were always there.
Comforting me in ways that no one coul
But that's what kind of person you are.

Look forward and you will

Time and Me

There never seems to be
Very much time for me.
Time to sit and think
or walk along a sandy beach.
I need this time to myself
instead of giving it to someone else.
Time is precious in this day and life,
for life is something wonderful.
For life takes time,
but time is still short;
it goes by so very fast.
Time takes me away,
I listen as it rushes by.
So open your eyes
to try to keep sight of
where you are in time and life.

Last week,
last day,
it all seems the same
when school is out for
SUMMER.
Smiles fade from view
and tears of goodbye
come instead.
Seniors leave forever
never to come back to this place,
and next year you will be
a year older,
a grade higher.
Annual signing
makes me want to cry;
you find out just how people care.
Last day is when everyone realizes
nothing will be the same next year,
Not you, not me, not even our romance.
Last day,
see you next year.

Graduation

Your cap and gown fit perfectly,
Your cap and tassel's fine.
The time has come for all to join
the graduating line.
Tears of joy, tears of love
are spread among the crowd.
The class of '80 has grown
Old, strong, and proud.
The speeches start, the people cheer,
But the time is yet to come
for you to cross the border line
of being a high school bum.
"It's Over Now!" You made it through!
And you did it by yourself.
Your high school books of memories
will lie upon your shelf.
You're happy, but a piece of sad
is rising from your heart.
For the friends that you have come
to love must now go on and part.
They say they'll never forget the time
they spent at San G High.
They'll soon forget to call or write.
It was all a bunch of lies!
So never forget the people you loved
as teachers, lovers, or friends,
Call or write to let them know
Your love will never end!

The child in us never dies;
Like our love for animals —
It continues to be a part
Of our compelling love for
Things of nature — sunsets,
Raindrops, and other things
That never fail to impress
Us with their beauty and power.

Some of us, all our lives,
Have dogs, cats, horses, or
Other pets to enrich our lives.
And to bring us a bit closer
To understanding life and all
Of its complexities that sometimes
Buries us in hatred, envy, and
Those other parts of our nature
That we would just as soon forget.

Without that bit of childhood
In each of us — especially that
Love for animals and the other
Things in nature that awe us
With their beauty and goodness,
Life for most of us would become
Unbearable, and the hatred envy,
Greed and other parts of our nature
That we would just as soon
Forget would become too much to bear.

Roads for Class of Eighty

Some roads are rocky,
while others are asphalt.
Some roads are dirty,
yet some are grassy.
Some people travel on
grassy roads always.
While other people must live on rocky roads.
Now is our chance
to make our own road.
Let's make our road,
a special road.

I Have Things to do

Did I make it? Do I find out today?
Why does this last year have to be this way?
Applications to college, scholarships, loans,
It's all so important. All I do is moan!
Yes, I'll be ready to leave this place,
Find new adventures, different ways and faces,
But do I have to think about it now?
I want to relax and s-l-o-w- d-o-w-n- somehow.
These past twelve years have molded me,
made me into what I'm going to be.
It's all happened so fast.
Oh, at least memories will last.
But it's time to start making new.
Do I have to do it today? I have other things to do.

My Midnight Mind

Only after sundown when the human eye is blind
Come the hosts of hell, the demonkind,
To take my midnight mind.

I dread the dark; I fear the flame that kindles the nightmares.
The dusk begins, my midnight mind: a land of bleak despair
Where werewolves stalk werehares.

In the night they're spawned; from my brain they're dawn,
where they plant a seed of fright.
And harvest at dawn a crop of dread of the things to come tonight:
Phantom forms of Specter Dead inside my midnight mind.

Etheric wars of spirit corps, a hellish holocaust,
Invade my brain; I'm turned insane; my midnight mind's across
the abyss. Forever gone, I now become a soul in the Legions Lost.

Making Tomorrows

June comes,
The joyous celebration,
The laughter and the tears,
A feeling of accomplishment,
And summer.

Pack up belongings; it's time to go.
Good-bye to old friends, time to make new
The long days of loneliness are ahead,
But also the bright horizon of
Making tomorrows.

We, the class of '82, were the first full class of students to come to San Gordonio as freshmen. Being 712 students strong, we had the largest class in the school. Most of the students in our class came from Highland and Serrano Jr. High. As freshmen we had a long way to go to graduate.

Graduating was the farthest thing from our minds. We were just trying to make it through our first school year.

As freshmen we started the year by electing class officers. Many students ran for the offices, but only four students won. We elected Stormy Voss president. Elected to help her was vice-president, Eddie Myers. We had two other offices; a secretary and a treasurer. Our secretary was Alexis Miller and our treasurer was Cynthia Poe.

Stormy's first job was our float. We entered a float into the school competition; we lost, but had fun building it anyway.

Next we had the annual I.C.C. day. We sold drinks and popcorn in a booth. All the money we made was put in the class fund.

We were a very spirited group, and did very well in class competition.

As the year went on, we found that we had many fine athletes. Our best achievement in athletics came from our freshman basketball team. The team, coached by John Thomas, had a season record of 11-0 and ended up 18-1-0 overall.

During mid-season of our basketball year we had our homecoming. We voted Stormy Voss our Freshman Sweetheart.

As the sport season came to a close, it was time to elect our officers for the next year. We elected Lynn Stuart our president, and to help him, we elected Sue Stoeppelwerth vice-president. We also elected Jana Kind and Segird Osorio our secretary and treasurer.

As the school year came to a close, we received our report cards. We had over ten students with G.P.A.'s of 4.0. These are the students who received straight A's: Kim Aguino, Wendy Bigham, Eileen Bladow, Douglas Eliot, Kevin Fujinaga, Kami Judy, Kathy Mainey, Julie Phillips, Leah Reiter, and Tara Sneed.

As we entered San G into the school year of 79-80, we were no longer freshmen.

After we got all our classes straightened out, we had to get our sophomore class together, so we held our first class meeting. We had a great turnout. Our main topic of discussion was any ideas on ways to raise money. We decided to start off with a carwash. Many students participated and we made about $50 dollars, which was far more than we expected.

Next we built our float. We had a lot of work that needed to be done, but very little time to do it in. With a lot of help from the Castaneda family, we turned a good float into a great float. Out of five floats we came in second.

After the float competition we had our annual I.C.C. day and again sold drinks and treats from a booth. We also had a "slave auction", in which students could buy other students for one day. We made over 40 dollars.

As the month of February came upon us, it was again time to vote for our sophomore homecoming candidates. We nominated three girls to the sophomore homecoming court. The three girls were: Alexis Miller, Kathy Hamelin, and Julie Herron. When the voting was over, Julie Herron was crowned the 1980 Sophomore Duchess.

As far as sports went, we did exceptionally well as a class. We had many individuals who competed in varsity sports. With as many sophomore athletes as we have, we can look forward to having many championship teams in the future.

As we look back on the time we've spent here, we realize that as we've grown we've changed. However one thing that will never change is our feeling of loyalty toward San G.

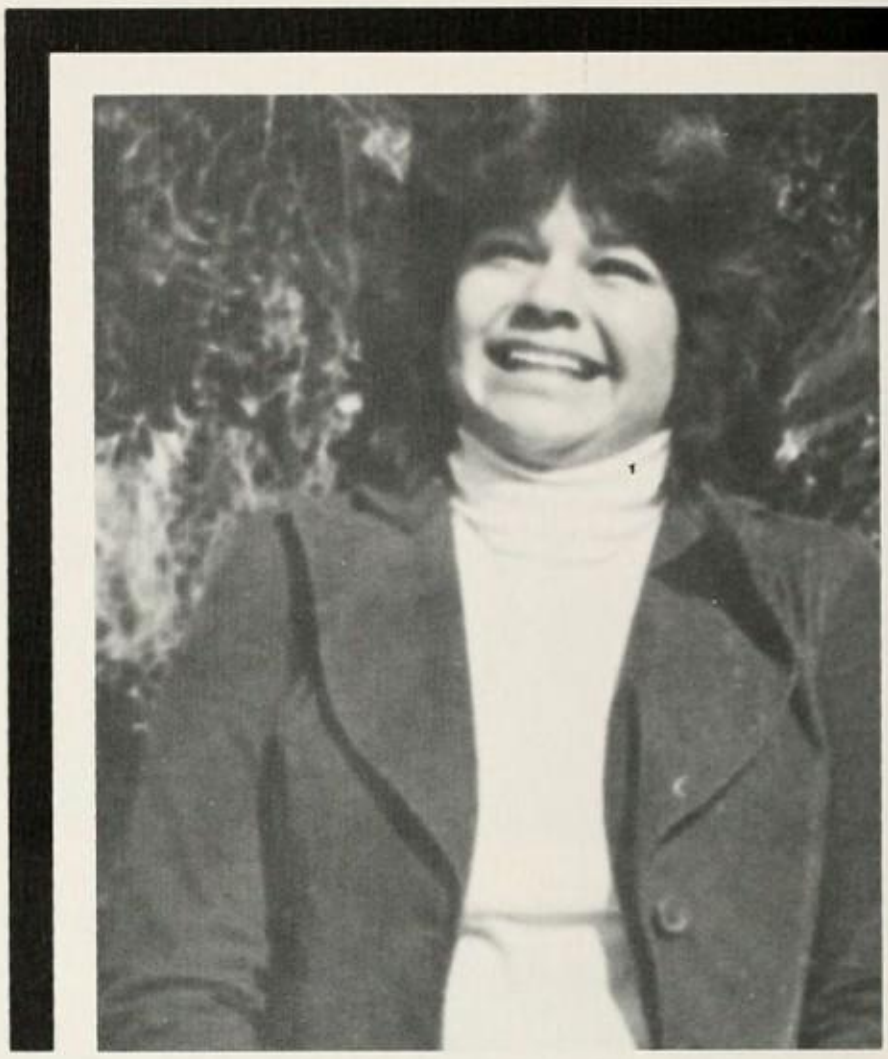
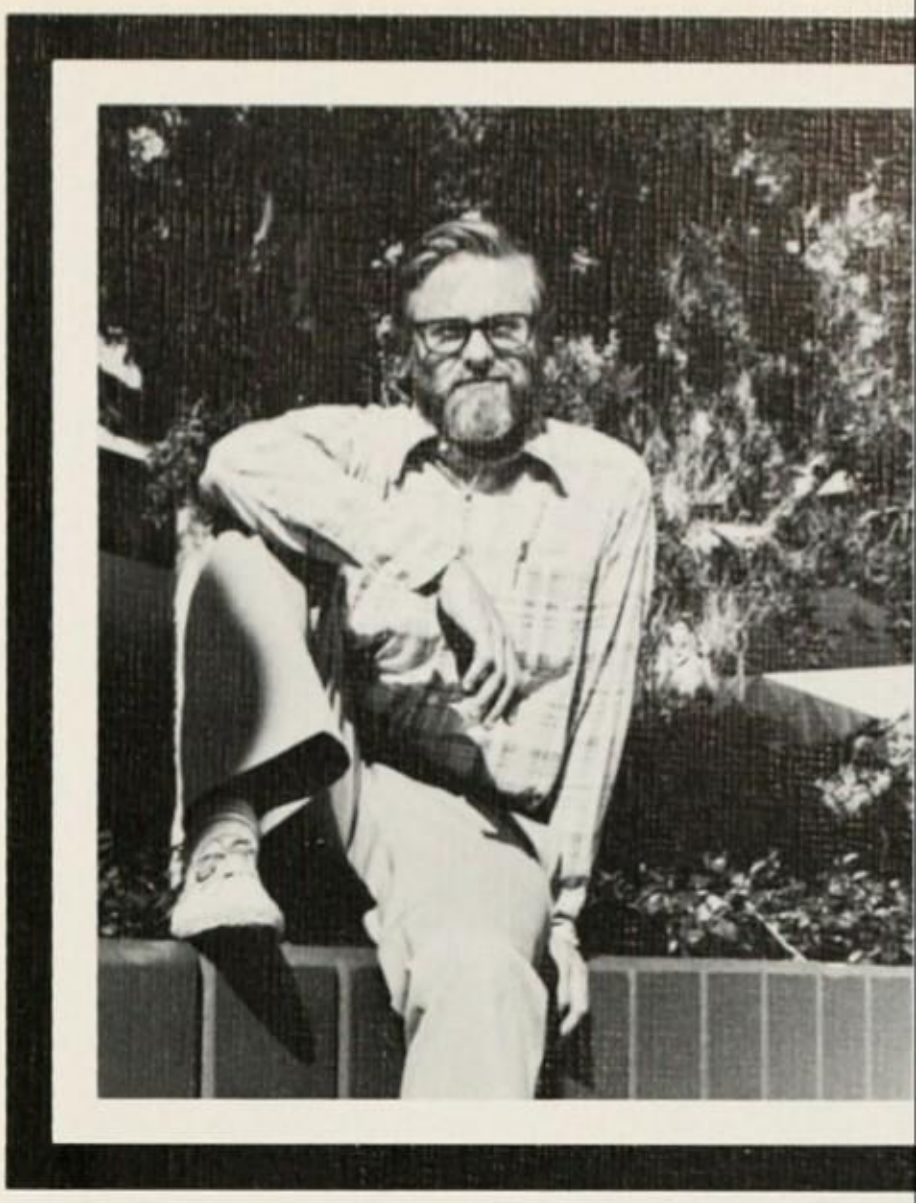
AND EVER UPWARD, ONWARD,

FRESHMAN OFFICERS CLASS OF 83

Sandra Dutched
President



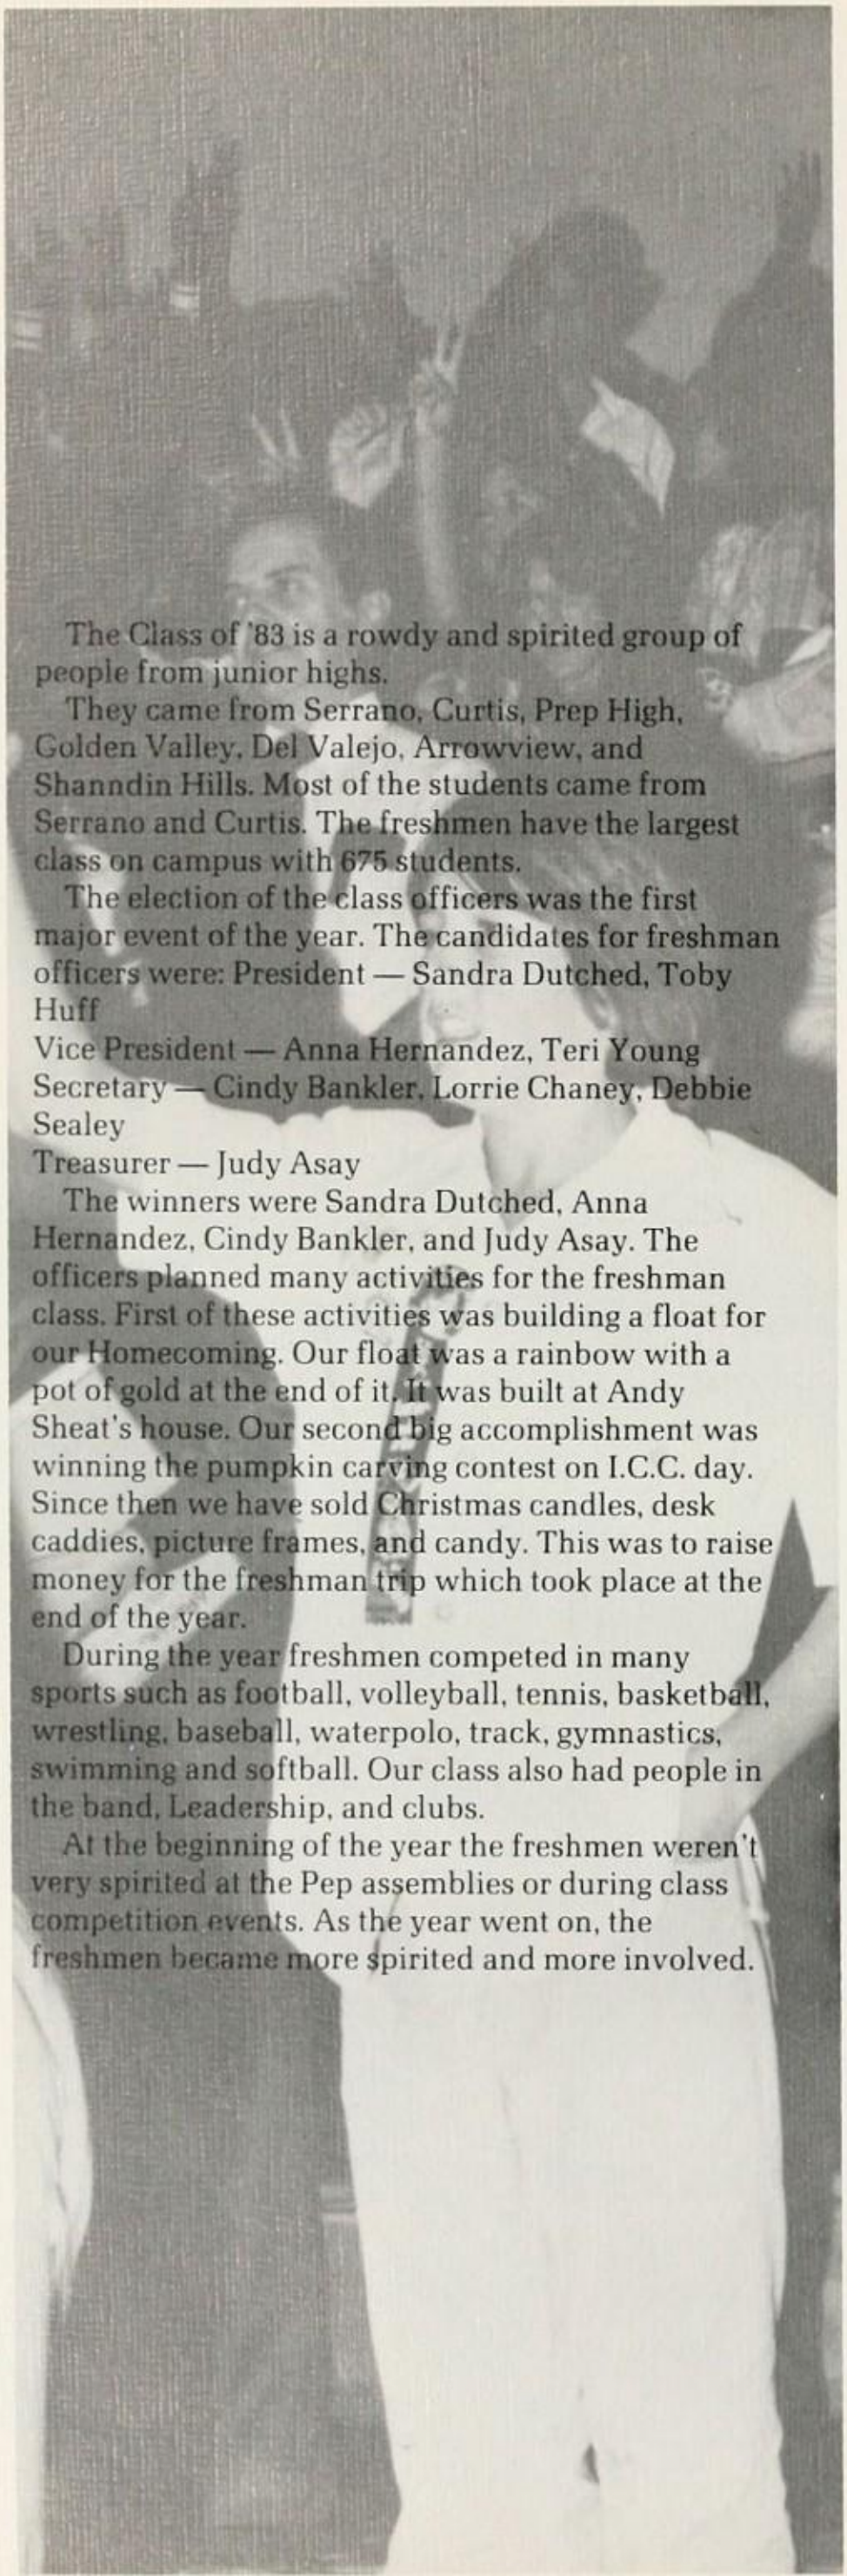
Anna Hernandez
Vice-President



Mr. John McPeck
Advisor

Cindy Bankler
Secretary

Judy Asay
Treasurer



The Class of '83 is a rowdy and spirited group of people from junior highs.

They came from Serrano, Curtis, Prep High, Golden Valley, Del Valejo, Arrowview, and Shanndin Hills. Most of the students came from Serrano and Curtis. The freshmen have the largest class on campus with 675 students.

The election of the class officers was the first major event of the year. The candidates for freshman officers were: President — Sandra Dutched, Toby Huff
Vice President — Anna Hernandez, Teri Young
Secretary — Cindy Bankler, Lorrie Chaney, Debbie Sealey
Treasurer — Judy Asay

The winners were Sandra Dutched, Anna Hernandez, Cindy Bankler, and Judy Asay. The officers planned many activities for the freshman class. First of these activities was building a float for our Homecoming. Our float was a rainbow with a pot of gold at the end of it. It was built at Andy Sheat's house. Our second big accomplishment was winning the pumpkin carving contest on I.C.C. day. Since then we have sold Christmas candles, desk caddies, picture frames, and candy. This was to raise money for the freshman trip which took place at the end of the year.

During the year freshmen competed in many sports such as football, volleyball, tennis, basketball, wrestling, baseball, waterpolo, track, gymnastics, swimming and softball. Our class also had people in the band, Leadership, and clubs.

At the beginning of the year the freshmen weren't very spirited at the Pep assemblies or during class competition events. As the year went on, the freshmen became more spirited and more involved.

One of the highlights of our freshman year was Basketball Homecoming. Nominees for Freshman Sweetheart were Felecia Dodson, Denise Carlton and Keena Holloway. It was a close run but Denise Carlton was crowned Freshman Sweetheart and escorted by senior Kenny Peterson.

During the year we had many outstanding freshman athletes. The coaches selected the following freshman athletes for special commendation: football, Ralph Winston; volleyball, Cheri Gumm; water polo, Andy Sheats, Barry Gwaltney; basketball, Marvin Cash, Tim Beggs; girls' basketball, Joyce Jackson; wrestling, Jack Negrete; softball, Tracy Webber; baseball, Ralph Winston; swimming, Frank Haveman; girls' swimming, Theresa Sinn; badminton, Lori Gillespie; track, Adrian Padilla. With these fine athletes San G can look forward to excellent teams during the next two years.

Supporting our freshman athletes were the freshman cheerleaders. They are: head, Debbie Dowell; co-head, Momi Takahara; Heather Schul, Cindy Bankler, Patricia Martinez, and Kim Hayes.

On April Fool's day we had an I.C.C. Day. The freshmen had a bake sale. As the first I.C.C. Day, it was a lot of fun.

We ended our first year of high school satisfied with our accomplishments. Although we achieved a lot this year the class of '83 will be back next year stronger than ever.

a farewell is necessary
before you can meet again,
and meeting again, after
moments or lifetimes, is certain
for those who are friends.
